

## CLIMATE CHANGE

It is not uncommon to hear, on the news, **the climate is changing**. We read and hear of the president pulling out of the agreement, in Paris, and because of this there are those who get stretched out and become violent, at least in their mind. We have a group of liberals, progressives, who just cannot stand the idea of someone opposing the thought of **"climate change."** They think if we do not do something the world will be destroyed!

Pictures are shown daily about **"climate change"** and if you do not believe such, then you are behind the times and are not in sync with the scientist of the twenty-first century, you are not politically correct. When I was a lad we call some of these tree huggers, who worshiped this earth and felt it was their duty to keep a watch on the earth and make sure it was not being abused. or destroyed.

Many have been the subjects discussed by man, that is not biblical in nature, and all of these have been reproached by the wisdom of God: *"18 For the word of the cross is to them that perish foolishness; but unto us who are saved it is the power of God. 19 For it is written, I will destroy the wisdom of the wise, and the discernment of the discerning will I bring to nought. 20 Where is the wise? Where is the scribe? Where is the disputer of this world? hath not God made foolish the wisdom of the world? 21 For seeing that in the wisdom of God the world through its wisdom knew not God, it was God's good pleasure through the foolishness of the preaching to save them that believe,"* I Cor. 1:18-21. *"20 O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called: 21 Which some professing have erred concerning the faith,"* I Tim. 6:20-21 (KJV). Those of the world teach things, which the bible calls foolish.

Now, back to the subject of **"climate change."** The Bible has something to say about this. Since the Bible is the product of God, it would be proper for me to say: God has somewhat to say about this subject and here it is: **"22 While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease,"** Gen. 8:22. So you see, God has stated the times and seasons will not change until the end of time, when all is burned up, II Pet. 3:15-17: *"15 And account that the longsuffering of our Lord is salvation; even as our beloved brother Paul also, according to the wisdom given to him, write unto you; 16 as also in all his epistles, speaking in them of these things; wherein are some things hard to be understood, which the ignorant and unstedfast wrest, as they do also the other scriptures, unto their own destruction. 17 Ye therefore, beloved, knowing these things beforehand, beware lest, being carried away with the error of the wicked, ye fall from your own steadfastness."*

Concerning the doctrines and precepts of men, we are told: *"8 Take heed lest there shall be any one that maketh spoil of you through his philosophy and vain deceit after the tradition of men, after the rudiments of this world, and not after Christ,"* Col. 2:8. It is interesting that the world wants to tell us of atheism, Evolution, and of moral standards; but, the Bible tells us different.

Concerning the world, God has told me how it will be till the end of time and this I believe. When the Bible speaks I know God has spoken.
